"Interior Solutions has always been very helpful in designing, ordering, and installing our furniture. It is a great company to work with. The people are **professional, customer-service-oriented, and always ready to help**. We intend to keep a good working relationship with them in the future."

David Cowley, Controller, Snowbird Resort

"Our office furniture has been delivered and installed and we love it! My sincere thanks to you all for your assistance in **helping us with the design for our challenging space**, the ordering process, and finally, the professional installation—your staff was great."

Chris Sanford, North Branch Library, Clearfield, Utah

"**Interior Solutions not only met my expectations but exceeded them in every way.** The design staff listened to our input and planned our facility specifically to meet our needs. The move itself went off without a hitch. The Interior Solutions staff was knowledgeable, friendly, competent, and provided great follow up. Most importantly, they were very customer-service-driven. I would recommend them to anyone who is looking to move to a new location, considering remodeling, or updating an office facility."

Mary Bruggenkamp, Alliance Title

"During the many years in which we have worked with the Interior Solutions team we have been very pleased by the quality furnishings, fair prices, competent sales people, and professional installation."

“Just wanted to let you know that your crew did a phenomenal job at Moss Adams. **Outstanding.** Scot and the rest of the crew show professionalism, speed, and attention to detail. You have a great team at Interior Solutions.”

Heather Hauck, Knoll

“Your team once again did a great job working with the Banner staff to make this move happen. They have only **great things** to say about working with Interior Solutions.”

Glen Knight, Banner Health Systems

“We completed an unusual project in emergency mode, and I would like to say ‘THANK YOU’ to Interior Solutions. You supported all the off-the-wall requests I asked of you. Your teams **stepped up huge** to make every Amex request happen without question.”

Ed Salas, American Express

“I have been involved in many office moves. I have never worked with a more helpful, careful, accommodating, and friendly group than Interior Solutions. All our requests, including some outside the normal scope of work, they handled quickly. **On a scale of one to ten, you rated a ten.** By way of comparison, the next best mover/installer group I have worked with could honestly only be rated a two. I wish Interior Solutions handled all our projects.”
